SECTION A: (20 Marks)

COMPREHENSION

Answer ALL questions in this section.

Read the following passage and answer the questions below.

Salma and Silima's father was building a house. Therefore, with a company of his children went to buy bricks. On their way, Salma helped her brother to learn about shapes. After a while a big bus came. Salma asked Silima, "What shapes do you see on the bus?" "The wheels are round", said Silima, "so they must be circles"

"Well done!" Said Salma. "And what shapes are the windows?" They are square. "The door is also square" replied Silima. "No" said Salma. Look again; the door has two long sides and two short sides. Oh! The door is rectangle.
